Weather

Because this is so north, sunburn can happen even if you are from Tucson or Reno and very tan. Though the highs are only approx. 85's, it can feel like 90's because of being so north and the sun is intense. 45 lows and chilly to most. Usually no precipitation at the end of July. We have an outdoor area as well as a canvas topped arena if it should rain.

What to Bring

- Layers of clothing: It will be chilly in am & hot in afternoon.
- Notebook/writing instrument
- Brochures for your services (if any)
- Business Cards (if any)
- Articles for submission to the Equine-Assisted Networker (if any)
- Camera
