Airport Information

*** Due to our location we have several options for airports.*

***ORD:** Chicago is our largest airport nearby. It is a 3 hour drive away from barn, though.*

***SPI:** There is also an airport in Springfield Illinois that is smaller the Chicago but bigger than Decatur. That is a one hour drive to the barn (mostly interstate).*

***STL:** St. Louis airport is about 2.5 hours to the barn and is another option.*

***DEC:** For those not looking forward to a long drive, I would recommend looking at a connecting flight from Chicago or St. Louis to the airport in Decatur. We have a very small airport and a 6-8 passenger plane (Cape Air) runs between St. Louis and Chicago to Decatur and back. We can help folks get to a rental car facility from the Decatur Airport if we are given notice! Decatur airport is less than 20 minutes from hotels.*

Directions from Hotels to Stout Horse Farm

***** Mapquest Directions May Not Be Accurate**

When you leave your hotel, jump onto the main road through Forsyth which is Highway 51 N. Head North. You will stay on 51 for several miles, maybe 7 or so until you get to School Road.

School Road can be seen from a distance by looking for a billboard across the street from and FS feed plant. Once you get to School Rd turn right and keep going for 5-10 miles.

You know you are getting close to our barn after you go straight through a 2 way stop. After the 2 way stop we are the second drive on the right. You will see a large brown barn and other barn accessories behind a brown house with white porch.

Please call if you get lost!

Weather

In mid-April I expect weather in the 60's. Come prepared for weather as cold as in the 40's though. I would also recommend boots you aren't afraid to get muddy. Rest assured we will do our best to keep things dry, but as we all know, April showers bring May flowers. I recommend layer lightly as mornings can be brisk. I would also include one heavy jacket.

What to Bring

- Heavy jacket
- Layers of clothing (lots!) and sturdy shoes/boots
- Notebook
- Sunscreen, Lip Balm and Tissues
- Brochures and business cards for your services (if any)
- Camera
