Seminar Data Sheet

Weather

Norwalk Ohio in mid-May is usually sunny, breezy and slightly cool – avg highs 69 and lows of 52. It can be humid -70% is avg. The sun rises beautifully in this area about 6:10 am and sets magnificently about 8:40pm.

We will be in an indoor sand arena with a great breeze available if it gets unseasonably warm. There is also a large outdoor roundpen so you may want sunscreen and mosquito spray. There are 2 indoor bathrooms, a big family eating/living room area, and an outdoor eating area. The internet can be spotty to access (I do not have a problem with straight talk) until you are in town.

. It should not be too rainy, yet if it is – thick mud is horrible around here! We have some extra boots if you want to go walk the bike trail. And we have extra bikes/helmets you are welcome to use.

What to Bring

- Layers of clothing
- Hats, gloves, sturdy shoes
- Lip balm and sunscreen
- Notebook/writing instrument
